Former Minden Couple Celebrate Diamond Wedding

Mr. and Mrs. Samuel Fredric Stinson, residents of Minden until 1911, celebrated their 60th Wedding Anniversary on Nov. 7th at their residence, 77 Burnside Drive, Toronto.

Among those attending were their four children and their families, Mrs. A. E. Stinson, the bridesmaid, and her daughter of Peterboro, Mrs. Holinshead and family of Toronto, Rev. and Mrs. W. Rogers of Brighton, Mr. and Mrs. Mark Rogers of Palmerston, Mr. and Mrs. Roy Rogers of Orillia, Mr. T. H. Stinson of Lindsay, Mr. and Mrs. Bert Soward, formerly of Minden, now residing in Toronto, and many nieces, nephews and cousins. Mr. and Mrs. E. A. Rogers and Gala of Minden could not attend, being forced to return home by a snowstorm.

Over three hundred friends called to express felicitations during the afternoon and evening. Mr. Arnold Stinson, as toastmaster, read telegrams, including one from Buckingham Palace, the Prime Minister Hon. L. St. Laurent, Hon. Geo. Drew, Hon. Leslie Frost, Mayor Lamport, The Women's Institute of Minden, many lumbering firms and numerous friends.

In a toast to "The Past", the speech in part follows:—

"Those who live nobly, even if in their day obscurely, need not fear that they have lived in vain — something radiates from their lives — some light that shows the way to their friends — their neighbours — and perhaps to future ages" So in remembering Minden, we think of the caliber — the refinement and vision of early pioneers such as Dr. Curry, J. H. Delamere, The Browns, McIntoshes & Prentices from Scotland. The village blacksmith John Welch from England, Ed. Noice who built the big General Store, followed by Bert Soward and E. A. Rogers, and many others. Then northward up the river: The Bests, Goodmans, Rogers and Hugh Workman who built the towering grist and flour mill later taken over by Thomas Stinson. Here "Fred" grew up to the sound of the roaring Falls and hum of the mills, a saw mill across the river contributed to this — the only lasting and worthwhile industry of Minden — giving work to the settlers and food for their families. Flour, oatmeal, cornmeal & buckwheat meal including all the vitamins. These mills knew no 40 hour week, nor did they ever have a "strike."

Our honored host, while early shouldering the task at the mills, also found time for active citizenship in all church, school, municipal and social affairs of the village. "Dominion Day" saw him leading in the "doubles" in the canoe races.

While he was Clerk in Council, he with two other members carried a petition for a railroad, to the late Sir Adam Beck. They were joined in Lindsay by the late Sir Sam Hughes, who then and there made the statement:—"What we need for Minden and the North is not an extension or spur line railroad, but a Highway from Lindsay". That was some 45 years ago and now these highways have changed our very way of life in the northern county.

While her husband took part in all these activities, his partner at home, the former Elda Rogers, also took her share in church and social life being a charter member of the W. I., teacher in Sunday school, worker in the W.M.S. and every work for the good of community life.

Side by side, they have come together through the years to this happy beautiful gathering of family and friends.

An illuminated address was read and presented by the Pastor of Trinity United Church, the Rev. Crossley Hunter, and many short speeches made and all were ably and humorously replied to by the host and groom of 60 years ago.

What DYSART COUNCIL Did

After passing the accounts at Monday's Session of the Dysart Council it was decided to comb the relief lists to see if any further reductions could be made but it was decided that for the present it would have to remain as it is.

It was decided to sell part of Lot 23 on the 3rd Concession of Guilford Township for arrears in Taxes.

It was decided that members of the Court of Revision should be paid \$8.00 plus mileage for their services.

The following Hydro Contracts were approved: Robt. Brooking, Residence; Harold Thayer, Cottage, Moss McCracken, Cottage.

Messrs. Stuart Dagg and George Shaw of Donald were present at the council meeting and stated that when council had widened the road they had suffered property loss to the extent of 18 feet on the section of Their LOTS which border said road. The council were of the opinion that they had 66 feet of road allowance and sent a committee of Councillors, A. H. Curry and Russell Hutchings to view the situation. After hearing from the committee it was decided to have the whole area in question surveyed to ascertain just how much road allowance that council is entitled to in this trouble spot.

The members of the council expressed their concern over the employment situation in the municipality which at present is none to bright and threatens to become worse as winter draws nigh. In order to ease the situation somewhat council is taking immediate action to contact Queen's Park with a view to having local workers employed on the construction of the hydro line to the Haliburton Lake Development.

A letter was read from the council of Cardiff Township stating that they were unwilling to co-operate in the opening of a road to Grace Lake.

Mr. Jack Austin and Don Iles waited on the council re a donation to assist in the employment of a professional hockey player to coach the various hockey teams. As no provision had been made in the budget of the past year for such a purpose council asked that the request be deferred until the first of the year when the new budget is brought down.

Wanted Guides For The "Guides"

We can understand how easy it would be for a city dweller when hunting to become turned around in the bush, but when a guide gets lost that is really something to write home about.

Last week two local guides started out in Harburn Township, one ended up in Bruton and the other landed in Harcourt.

Could this be a case of the blind leading the blind?

Stratford Rotary Club Draw

Owing to the large number of citizens in Haliburton County, who had tickets on the draw held by the Stratford Rotary Club on Halloween Night we wish to present the names of the lucky winners:

THE WEEKLY ROUNDUP

Mr. Ervin Hoxie was taken suddenly ill on Sunday afternoon last and was taken to Minden where Dr. Newell examined him and discovered that he had ruptured appendix. The Doctor rushed him to the Ross Memorial Hospital in Lindsay where he underwent an operation. We are glad to report that he is making fine progress on the road to recovery and it is expected that he will be able to return to his home here on Saturday or Sunday.

The Annual Commencement of the Haliburton County District High School will be held in the school auditorium on the evening of Friday, November 27th at 8.00 p. m. — The Valedictory address will be given by Miss Mavis Sisson. The guest speaker for this occasion will be Prof. B. C. Diltz, Professor of English at the Ontario College of Education.

We are glad to report that our old friend Mr. Wm. Lane is making a satisfactory recovery after undergoing an operation in a Toronto Hospital. Hope you will soon be able to return Bill, we miss you.

Well the hunting season is past and while some report good hunting others did not fair so well. One citizen says "Just as many deer but twice as many hunters".

Members of the Anglican Church thruout the Haliburton Deanery filled St. George's Church to capacity on Wednesday evening November 11th, when they heard a most inspiring address by the Rev. H. Frankham of Middleton, England. The Rev. Frankham who has been assistant to the Rev. Bryan Green in the great work that he has been doing in the subject of Christ and his Kingdom chose as his subject "The Greatest Promise Ever Made". None of those who were fortunate enough to be present will forget for a long time the stirring message delivered by this outstanding churchman.

Amassed choir led in the singing of the hymns.

We are sorry to report the passing of an old and highly respected citizen of this locality in the person of Andrew Robertson, death occurring in Hamilton on Friday, November 13th. The funeral was held from St. George's Anglican Church on Monday afternoon. Interment was made in Evergreen Cemetery.

Mr. Jack Grigg of Orangeville was a business visitor to the village on Tuesday. Mr. Grigg is the President of the Merchants Supply Co. and also Manager of the Grigg Co. stores.

PEN PICTURES OF PARLIAMENT

by CLAYTON W. HODGSON, M.P.

—Portrait, Bright's Studio, Lindsay.

Members of Parliament were arriving in Ottawa on November 11th and the morning of the 12th. Mr. Raymond Clerk of the Commons, was busy having us all sworn in before opening time.

The Commoners, meeting for the first time since the election, had to choose a new Speaker to succeed Mr. W. Ross Macdonald who has been appointed Government leader in the Senate. The Clerk of the House, Mr. Leon Raymond, contrived proceedings by pointing at those who wished to speak while the chair was unoccupied. In this manner he first let speak the Prime Minister who moved the selection of L. Rene Beaudoin, 41, Liberal member for Vaudreuil-Solanges, since 1945 and Deputy Speaker in the last parliament.

The rich colors of the opening of the 22nd Parliament glowed lavishly on a bright sunny day. The Governor General's Foot Guards were lead by the Regimental band, dressed in their brilliant red uniforms. The Governor-General in an open four-horse carriage arrived on Parliament Hill at 3 o'clock. While His Excellency inspected the Guard, the Seventh Field Regiment fired a salute of twenty-one guns.

His Excellency walked to the Senate chamber accompanied by Government leaders and high officers of the services, the latter in uniform and wearing medals. The assembly in the chamber and galleries, including diplomats in uniform and women wearing afternoon dresses and hats, rose as he entered and took his place on the canopied throne. Then the Gentleman Usher of the Black Rod went to bang on the Commons door and bid the members of the lower house attend His Excellency, which they did, led by the Speaker Beaudoin in his tricorne hat, accompanied by the Sergeant-at-Arms, Lt. Col. W. J. Franklin bearing the golden mace.

In the morning the Commoners had assembled before the bar in the Senate, long enough to have the Deputy Governor General, Chief Justice Thibault Rinfret, note that they had no speaker and order them to elect one.

The Governor General read the Throne Speech with easy voice, first in English and then in French. The Prime Minister stood at the right of the Throne as the address was read. His Liberal Party has 170 of the 265 seats in the Commons, the Progressive Conservatives 50, CCF 23, and Social Credit 15, while there are three Independent, two Independent Liberals and one Liberal-Labour member. The one vacancy is in the constituency of Peel, where Gordon Graydon, Progressive Conservative Deputy Leader, died, after being re-elected in the August vote.

I will be in Ottawa continuously for the next seven or eight months, and if I can be of any assistance in helping to solve any of your problems do not hesitate to write me to the House of Commons. Stamps are not necessary on letters to your Member while the House is in session.

The Fox and The Grapes

A HUNGRY FOX saw some fine bunches of Grapes hanging from a vine that was trained along a high trellis, and did his best to reach them by jumping as high as he could into the air. But it was all in vain, for they were just out of reach: so he gave up trying, and walked away with an air of dignity and unconcern, remarking, "I thought those Grapes were ripe, but I see now they are quite sour."

MORAL: Instead of saying "sour grapes" when you can't immediately attain your ambitions, build a ladder to success by opening a savings account with The Canadian Bank of Commerce. Add to your balance regularly and you'll soon be in a position to get what you seek.

EDITORIAL

Water Control Isn't Pleasing

From the Orillia Packet and Times

Orillians, particularly the members of the Water, Light and Power Commission and the Town Council, have had recent cause to be perturbed and angry over the manner in which control is exercised over the flow of water in the rivers which serve the town's power plants.

The objection is that the Department of Transport at Ottawa, the Department of Public Works at Toronto or the Ontario Hydro Electric Power Commission have, separately, or between them, pretty complete say about when and how much water will be released out of the lakes and other storage places.

It has happened in the past, and will happen again, that water will be held back or will be released according to the wishes of one of these departments and the decision will adversely affect the operation of one or more of the Orillia plants.

Orillia is not alone in this difficulty, however, as a recent editorial in the Haliburton County Echo indicates. That paper leads off its editorial comment with the sentence: "Once again we raise our voice against the stupid and inconsiderate manner in which control of our waters is handled".

It goes on to point out that during the summer the waters are allowed to rush down at a mad rate and by autumn the lakes are drained. People who live along the lakes and rivers and who depend on water for drinking and domestic purposes suddenly find that their water pipes are out of the water, or, in the case of some, the water is so muddy and stagnant that it is unfit for use.

The Haliburton paper also points out that many people of that area are dependent on the tourist industry and yet it is possible to find that buckets of fish spawn can be gathered up along the shores of many lakes at present.

There are, of course, many different groups who are interested in water levels. — The cottages want the levels maintained so that ice doesn't wreck their boat houses in the winter and flood waters don't spoil their land in the spring. The fishermen want levels maintained to the best advantage of the fish, particularly during spawning season. The lumbermen want water held back for their cutting and transportation purposes and the power plants want a steady constant flow of the available moisture.

Judging by recent events and complaints, those responsible for controlling the water flow are not pleasing anybody. Perhaps it is time that a conference of all interested parties was held to discuss the problem and try to reach a better, more amicable solution.

Why The Food Index Is UP

The Ottawa Evening Journal is skeptical about food price advances. It ran an editorial recently of the enquiring type wondering why they should be going up when the farmers were all worrying about the drop in their incomes.

It points, for example, to the increase in bread when Canada's bins & elevators are bulging with close to a billion bushels of wheat.

Ottawa too, was holding millions of pounds in storage yet the price of pork had gone up. Same applied to butter with a 300 million production this year.

The Journal adds: "During August says the Bureau of Statistics, the price of many food items climbed including pork, eggs, coffee, lard, bread and butter."

Then it asks if the farmer is profiteering. And answers: "Not so, the Bureau shows that while consumers are paying more for food, the farm price index is at its lowest point in five years; 15 p. c. below the high mark of July, 1951".

It wants to know what's wrong, why are food prices rising when they should be falling — rising when we have more food on hand than ever before in our history, more than we can sell?

One answer it gives is the ever-growing costs of processing, hauling and distributing food.

The Journal has a point there, but not the entire answer. It's true that processing costs have gone up because labor has been demanding more and more money all the time, along the line. This not only affects the processing costs themselves but the cost of machinery and all kinds of equipment processors have to buy. And certainly freight costs have advanced, again largely due to the demands of labor unions.

Then it deals with taxes, but says that food is not taxed, not by the sales tax at any rate. This of course, is not correct. As Canadian Grocer has frequently shown in the past, there are almost as many food items carrying the sales tax as those that don't, although consumption of them is not so great.

The Ottawa publication by contacting any informed member of the food industry at the capital could readily find out why the various items mentioned above went up in Aug.

Last year the price of dressed hogs was pegged. The Government agreed to take the surplus off the hands of the packers at a floor price. But toward end of the year it announced that the peg price was going to be lowered. Result — every farmer who could possibly do so marketed his hogs before the end of the year to get the extra couple of dollars per swt. This left a vacuum which has never been filled although it will be eventually. The shortage of hogs naturally meant that prices had to advance and farmers who had them for sale have greatly benefited. The pork the Government is holding is canned pork which was bought from the packers last year to bolster the market for the hog producers. Lard is higher because it's a part of the more expensive hog.

Eggs went up because there was a definite shortage.

Producers in the egg business have been making money. But the average farmer has gone out of hens to a large extent. Butter is also pegged by the Government.

There's also a definite reason for the advance in coffee — a more or less severe frost in southern Brazil last July. Bread advanced because, again, Ottawa agreed to the Washington deal whereby the price of wheat for export was to have a maximum of \$2.05.

So if the Journal steps out the back door and goes over to the Parliament Buildings, it would not have much difficulty in finding why the food index climbed last August, and yet many of our farmers are beset with declining revenues due to surpluses in certain products.

Did you get your deer this season? "You didn't"! Well here is some timely advice which may be to late this season but may help next year.

Mr. John L. Noble thinks guns are silly things to carry while hunting deer. — Catch the things by the hind legs, and you are really sure of them, that is you are sure of them if you are lucky enough to have some one watching on to bring you, your gun.

LOCHLIN

Well the end must come to everything and it has come to Hunting Season, saying nothing about the stories but there aren't too many long faces around here glad to say Why one fellow had the good fortune to shoot two deer with one shot. Was it good fortune or was it the man, Andy?

Mr. & Mrs. George Exon & Lois spent the weekend in Toronto and while they were there they attended the Santa Claus Parade. That old fellow seems to be quite popular around this time of the year and it won't be long till his calling on each and everyone of us.

Mr. & Mrs. Doug. English and Mr. Armand English of Toronto spent the weekend with Mr. and Mrs. Gerald Hicks.

Mr. & Mrs. Orville Hicks visited over the weekend with Mr. and Mrs. Stuart Miller of Whitby.

Lochlin United Church Anniversary Service will be held this Sunday with service commencing at 11.00 a. m. & Rev. Proffitt of Beaverton will be the guest speaker.

Mr and Mrs. Bill Lindop of Lindsay spent Sun. visiting with friends and relatives here.

A change is as good as a rest is quite true. Haven't heard anyone kicking about our snow going which came last Saturday. — Everyone seems to be enjoying the lovely weather of Indian Summer.

Mr. & Mrs. Walter Bacon of Lindsay spent the weekend with the latter's parents Mr. and Mrs. Raymond Congdon.

Mr. & Mrs. Elmer Pringle Jr. of Toronto spent the week end with Mr. and Mrs. Harvey Minaker. Mr. Chick Minaker who has enjoyed two weeks hunt here returned home to Greenwood with them on Sunday.

Mr. & Mrs. Noble Hague and girls visited on Sunday with Mr. and Mrs. Ray Sisson of West Guilford. — They also called on Mr. and Mrs. Roy Stackhouse.

Mr. & Mrs. Doug. English of Toronto and Mr. Armand English of Ajax spent the weekend with Mr. and Mrs. Gerald Hicks.

Miss Muriel Hicks spent the weekend with Miss Ruth Hicks.

Mrs Jack Dart and Larry of Haliburton spent Friday evening at the home of Mr. and Mrs. Cecil Burk.

Miss Erma Dugan who is employed in Lindsay spent the weekend at her home in the village.

Mr. and Mrs. Bob Hughes and family of Minden visited with friends here on Sunday.

Very pleased to report that Helen Hicks has returned home and is making a very speedy recovery after her recent operation.

Mrs. George Parker a visit last week with Mr. and Mrs. Keith Hill in their new home near Ingoldsby.

Mr. and Mrs. Cecil Burk & Messrs. Russell Burk and H. Hill attended the Funeral of the late Mr. A. Robertson in Haliburton on Monday.

Mrs. Warner Casey visited with friends in Ingoldsby last week.

Miss Yvonne Dugan of Bury's Green spent the weekend with her parents here.

Mr. & Mrs. Alf. Richardson and family of Minden visited with friends here on Sunday.

Mrs Charles Roberts is visiting with her daughter Mrs Raymond Congdon this week.

Mrs. Norman Harrison Jr. spent a few days of last week with her mother Mrs. Harold Hill.

There will be a hot Supper served at the home of Mr. & Mrs. Orville Hicks on Saturday evening November 21st, from 5 to 7.30 p. m. Admission: Adults 75c, Children 4 to 12 years 35c. Proceeds for drapes for Parsonage.

Mr. and Mrs. Doug. Casey accompanied by Mrs. Warner Casey visited with the latter's father Mr. McCarroll who is in Peterborough Civic Hospital on Sunday.

Mr. and Mrs. Bert Hicks and Elva spent Friday evening and Saturday at Kenesis Lake.

A number from here attended the Funeral of the late Thos. Duncan at Ingoldsby last Thursday.

Mr Reg. Burk spent the weekend at his home near here.

Mrs. Jack Francis is enjoying a holiday this week with friends in Toronto.

Messrs. Ivan and Leonard Burk have returned home to Churchill after hunting with friends from here.

Mrs. Don Minaker spent last weekend with Mrs. Percy Burk.

Mr. and Mrs. Harvey Minaker were visitors to Orillia on Monday evening.

The Lochlin Farm Forum are sponsoring an Evenings enjoyment in the Lochlin School next Monday evening November 23. Mr. F. Welch of Minden will be the guest speaker and his subject will be on his recent trip to England, France, Italy and The Coronation. There will be a Silver Collection. Everyone is welcome. Lunch.

GELERT

The hunting season has past and a very mild one it had been too, while the snow storm of last week didn't stay very long to co-operate with the hunters, but nevertheless several hunters have been successful in bringing home a helpful supply of venison.

Now on the score cards are Christmas Concerts with only a few more days before Christmas and all its glory coming into its own.

The Ladies of St. John's Anglican Church W. A. are holding their Annual Christmas Bazaar and Dance early in December. This is just a reminder, the date we'll have for you later.

The School Concert is only a month away, Dec. 18th to be exact. So mark it off as a must in your black book for dates.

The Euchre Party on Friday evening was really stepped up. The competition is a bit keener with five tables of players. The prize winners at the close of the evenings were Ladies first Mrs. Lloyd Sedgwick, Gents first Mr. F. Hamilton and the Consolation prize went to Faye Peacock. So ended another pleasant get together in the "ole town hall".

Messrs. Ken & Keith Currah of Oshawa were weekend visitors with relatives here.

Here is your data on the Bazaar Dec. 4th. There are ladies also selling tickets on a quilt to be drawn for at a dance. Do your X-mas shopping the W. A. way.

Mr. Stanley Hollowell is a visitor in Toronto.

Misses Genevieve Sedgwick, of Rockwood, & Marion Sedgwick of Wilberforce visited this past weekend at their home here.

Messrs. Orval Francis of Kinmount; Victor Sedgwick of Fenelon Falls; Lloyd Sedgwick and Harold Clarke of Toronto were visitors with their families during the weekend.

Sorry to hear Mrs. Malcom Sedgwick is in bed with pleurisy; we hope she will soon be up and around.

Mr. & Mrs. Orval Francis and family were Saturday visitors in Peterboro.

Lochlin Farm Forum

"The challenge of Dairy Substitutes" was the theme under consideration at the Nov. 16 meeting of Lochlin Farm Forum. 16 members and visitors found that they were divided in their opinions regarding methods to meet this growing challenge.

They agreed that should a decline in the dairy industry develop, surpluses in the products from other branches of farming would result. More beef, grain or poultry would be produced and their market price would drop. However one discussion group felt that over a period of time this condition would be adjusted. Another group suggested that hybrid soybeans could be developed to allow more extensive cultivation in areas where frost prevents it at present.

Farmers themselves can attempt to stem the growing use of dairy substitutes in several ways. — Lochlin Farm Forum recommended that each farmer use butter in his own home, that he finance advertising of his dairy products, that he continually improve his product's quality, and that he produce as economically as possible.

Opinions were divided again regarding the legislation in Ontario, which govern the sale and manufacture of edible oil products. While the majority seemed content with the Act as it stands, several advocated higher tariff on imported edible oils.

Next Monday the Fourth Night special feature will be a talk by Mr. Frank Welch on his recent trip to England and the continent. This meeting will take place in the Lochlin School on November 23 at 8 p. m.

Shur - Gain**A WORD TO THE
WISE.**

Feed Shur-Gain balanced feeds, it costs less to produce more on the properly balanced Shur-Gain feeds program than most feeders are aware.

There is more Shur-Gain fed in Canada than any other feed. — The reasons are I. Shur-Gain feeds are always fresh and palatable. II. Shur-Gain contains more animal proteins. III. Shur-Gains is cheaper being locally mixed.

Ask your local dealer for Shur-Gain feeds regardless of what you are feeding, and your profit will exceed in many cases the previous record.

Mr. George McKelvey who has been in Toronto General Hospital for the last month returned home on Sunday.

During the past week, a representative group from the Anglican and United Church Choirs met with the leader of the Minden Band to plan a Christmas Carol Concert. It will be held in the Recreation Centre on Friday — Dec. 18. Already rehearsals are underway for the combined choirs and the Band & it is felt a real musical treat is in store for us all.

The Girls Guild of St Paul's is a most enterprising club. They help with Turkey suppers, give card parties and dances; hold bazaars etc. — Their latest achievement takes the prize. The Parish Hall needed a coat of paint; funds were low so the girls did the paint job themselves. There is a lot of painting in five gallons of paint; so let's give the girls a great big hand and attend their card party Friday, Nov. 20.

On Friday Miss Isabel Curry received the sad news of the death of her sister Helen, Mrs. Leonard Fageant, at Maplewood N.J. Mrs. Fageant was born in Minden, daughter of the late Dr. Charles D. and Marion Curry and spent the early part of her life here, later moving to Winnipeg where she was married. She is survived by her husband & two daughters.

Annoying Things

Why is it, small annoying
things
Can not be made to stop?
The toilet that forsooth must
leak,
The tap that drips a drop.
The furnace that clicks on
each time
And then proceeds to roar,
There's a lot of household
noises
That tend to make me sore.
At night I listen to the
sounds
And tick them off, each one,
Then try to rack my brain,
to see
If something can't be done.
These smart new modern
gadgets
That tend to save me work,
Can be instruments of torture
To set my nerves ajerk.
I much prefer the olden
days
When things were kind of
slow,
There were no complications
then
Within my bungalow.

Our Trip to Drag Lake — Haliburton

A Diary kept by Mr J. C. Edwards, who made the trip with Willie Clarke in the fall of 1892.

October 3 — Monday

It rained in the night commencing soon after we turned in at 10 p. m. so this morning we had great difficulty in starting a fire for our wood was wet and heavy. — This caused us to breakfast late, 8 a. m.

Paddled to our line but no fish on except the baits which were not touched, so returned again emptyhanded. Intend going in to the village today, so wrote a letter to Charley. Will got dinner early and directly after, we made all secure at home, tied Peter up (for he played us a trick coming up, by staying in the

pillage and Will had to go back for him) and started at 12.45, calling at our line on the way and getting one trout. Got to the dam at 2.30 having to paddle against strong head winds, or rather squalls, which at times nearly stopped the canoe. It came on very dark and cloudy, threatening rain, which came while paddling across Mud Lake. As soon as we landed, we turned the canoe bottom up, hid the paddles and walked in to Haliburton, the rain increasing and it came on to thunder. We had our water-proofs on so kept fairly dry, only our legs getting wet, & got to the village at 3 p. m.

Called at the Post Office, then went to Gorrie's and bought some eggs, cheese, onions etc. and while there, it came down in torrents and looked like continuing all night, a wretched outlook.

Walked over to John Reid's and got 4 loaves of bread, which we tied up in a piece of oiled canvas he gave us.

Started back at 4.30, Will calling at Anderson's & getting a pound of lard for making some more cakes.

It rained all the way back to the dam which we reached at 5.15, when it ceased for a while, coming on heavily again as soon as we got into Drag Lake. The lake fortunately was smooth and it was nice paddling. Arrived at our camp at 7 p. m. and after some difficulty got a fire going and Will cleared and cooked the trout and fried potatoes what were left from dinner, while I started a fire in front of the tent to dry us a bit. Had a good supper and much enjoyed the fish for we were very hungry and tired.

The weather cleared soon after and the moon got up and while I am writing this at 10.30 it is a fine and light night but breezy.

add *Hy-Drive*

With Dodge Hy-Drive you just shift into high — and go! You can drive all day without shifting... manoeuvre through traffic... stop for red lights... glide off again with a smooth, silent surge of power. You soon forget about gearshift and clutch. There's nothing new to learn — if you wish to back up, or need extra power when driving through snow or mud — just shift in the familiar way.

add *Full-Power Steering*

For the most effortless parking and steering you will find in any car — try Dodge Full Power Steering. From the moment you start your engine, hydraulic power takes over 4/5ths of the steering effort. You can't imagine how easy it is to park — to drive through traffic — to turn corners — to control your car on bumpy, rutted roads. You can turn the wheel with one finger — even when your Dodge is standing still.

No matter which 1954 Dodge you select, you'll be thrilled and surprised at how much more your dollars have bought.

In the Crusader series you'll enjoy the longer, more beautiful styling which distinguishes all 1954 Dodge cars, with smart new interiors and seating comfort, safety and fine vision you expect of a Dodge—all at a price that will please you.

The beautiful Regent series brings you styling, fine appointments and comfort hitherto only available in more costly cars—with, of course, all the many Dodge engineering features which mean so much in driving ease and performance.

In the brilliant new Mayfair series you'll see such style, and experience such luxury, you'll wonder how any car in the lower-priced field could offer so much. Their interior two-tone beauty of rich, woven fabrics and soft, ivory, leather-grained vinyl, with every appointment designed for your comfort and driving ease, are seldom surpassed by any car at any price.

There's performance to match this new Dodge style and beauty, no matter which series you select. There's a more powerful engine... the famous Dodge "three-way-smoother" ride... your choice of Hy-Drive, the simplest form of no-shift driving... and Dodge Full-Power Steering for the ultimate in luxurious driving ease.

When one of these beauties is your Dodge you'll drive it with pride. See and drive one to-day at your Dodge-DeSoto dealer's.

there's a car in the DODGE family that's right for your family

HUSKIES TO ICE GOOD TEAM

FORMER N.H.L. HOCKEY STAR TO COACH HUSKIES TEAM

The Haliburton Huskies Hockey Club have gone all out this season to get a hockey coach of high calibre to handle the Haliburton Huskies, Haliburton County's only entry in the O.R.H.A.

After looking over many applications for a new coach the management of the local club selected a man who from all appearances will be just the fellow, the Huskies are looking for. The new coach of the Haliburton Huskies is George Abbott, former N. H. L. star who is coming to the Huskies on the recommendation of two other former N. H. L. stars who are now in

the Leafs front office. These two men are Bob Davidson and Happy Day. In their opinion the Huskies have chosen wisely and have one of the best coaches in Ontario at the present time.

In Abbott's trail around the N.H.L. he played with the Toronto Maple Leafs, Boston Bruins and the Detroit Red Wings. He has played goal & left wing, but mostly goal.

Mr. Abbott's job will not only be to coach the Huskies but he will also coach every hockey club in Haliburton.

This will mean that he will have under him all teams from the squirts up to the

senior club, the Haliburton Huskies. Bob Davidson reports that Abbott is a great coach and really takes an interest in the kids.

At present the new coach is at Hamilton but is due into Haliburton on Nov. 30th.

Coach Abbott's wages will be paid by the Haliburton Huskies and the Haliburton and District Businessmen through their donations to this year's hockey program.

We of the Echo Sports staff wish to take this opportunity to welcome George Abbott to Haliburton in his role of coaching hockey in Haliburton.

Loose Ends from the Sports Editor's Desk

The winter sports scene in Haliburton is beginning to take form. This past week saw a curling meeting, a hockey meeting and the Haliburton Curling Club sent a rink to Lindsay to play.

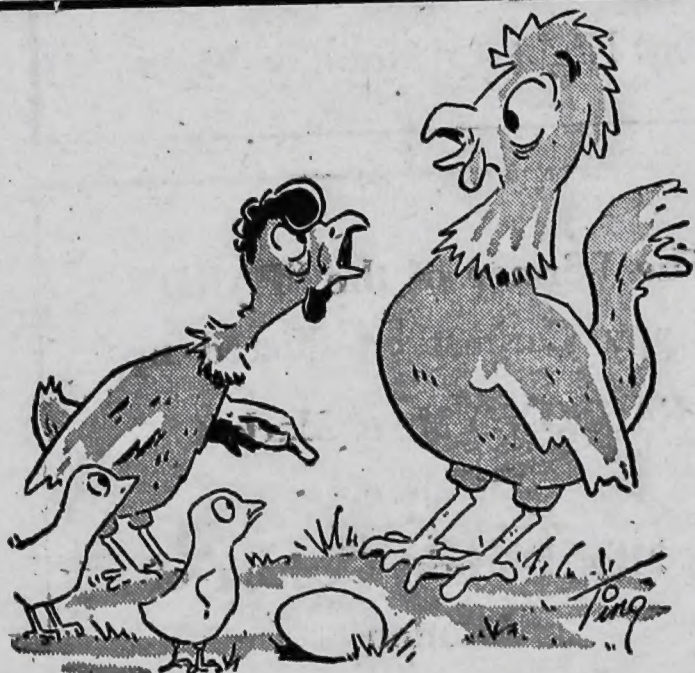

The Haliburton Curling Club are looking forward to one of the biggest years in the clubs history. A very large number of curlers have signalled their intentions that they will be curling this season. The club expects to have 18 rinks from Haliburton and 2 from Eagle Lake.

Bert Combrie who played a few games for the Haliburton Huskies last season has returned and he expects to be out for the first Huskies workout. All of last seasons squad is expected back with the exception of Bud Dart who is now in the army.

There is some talk around Haliburton that badminton may get underway very soon.

The Sutton Hockey Club in tri-county league will have the jump on the other teams as they have installed artificial ice. This will mean that Ellis Pringle and his boys will be on skates much earlier than the other clubs. We could be wrong but that added condition will give Sutton an early lead that may be hard to catch before play-off time.

Don't forget the O.M.H.A. hockey Assoc. Rules Forum Meeting in Lindsay on Wednesday, November 25th, 7.30 p. m. Pte. Bud Dart who is stationed at Camp Borden is now playing hockey with an army team. All hockey teams from Haliburton from pee wee up to the seniors will have the opportunity this year of learning their hockey from a great coach coming in from Toronto. The Haliburton branch of the Canadian Legion are expected to help out the local hockey clubs in one way or the other this winter. The Minden Monarchs are expected to travel to Lindsay soon to practice in an effort to get their hockey team in shape for the coming O. H. A. Campaign.

Haliburton Curlers Play At Lindsay

The Haliburton Ladies Curling Club sent a rink to Lindsay on Monday of this week to play a rink from Lindsay in a friendly game. The local rink was made of:

Mrs. Carl Hussey, skip, Mrs. Lou Consky, vice-skip Mrs. Moss Robertson, second Mrs. Pearl Wise, lead.

The local ladies report that they couldn't seem to do anything wrong and came home with a 9 to 4 win. They were served a delicious lunch after and all reported a very good time.

O'Keefe's WEEKLY SPORTS CALENDAR

O. M. H. A.
November 18th, 1953

The Ontario Minor Hockey Association Rules Forum will meet at the Community Centre (Arena), at Lindsay, on Wednesday, Nov. 25th at 7.30 p. m.

You are invited to attend this interesting and informative meeting, at which the playing rules of hockey will be thoroughly discussed by leading O. H. A. officials, and other useful information in connection with operating hockey teams will be dealt with.

On the agenda for the meeting are such interesting subjects as Duties of a Manager, before, during, and after the game; what the O.M.H.A. expects of a coach; duties of a referee, before, during and after the game; conduct of a Referee; Special O.M.H.A. regulations; an explanation of the O.M.H.A. Insurance plan etc.

We are sure that you will find this meeting both beneficial and interesting. If you wish, you may bring along other hockey officials or players.

Yours very truly
A. E. Hick
2nd Vice-President

P.S.—The Annual Meeting of the O. M. H. A. will be held at the King Edward Hotel, Toronto, on Saturday, December 5th, commencing at 10 a. m.

Haliburton Curling Club Hold First Meeting

A meeting of the Haliburton Curling Club was held in the Curling Rink on Monday evening last and from the attendance and tone of the meeting we would say that curling enthusiasm is at a very high peak locally.

The purpose of the meeting was to select skips and make arrangements for the coming season.

The following are the officers for the coming season: President Jack Hunter; Vice-Pres. Frank T. Andison; Sec'y-Treas. N. R. Grose.

Executive: George Hughes, Carl V. Hussey, J. A. Robertson, Merv. Robertson, Lou Consky.

It is expected that about 20 rinks will be lined up for the curling schedule, 18 rinks from Haliburton and 2 from Eagle Lake. A meeting will be called on November 30th to select the rinks.

The executive would like to be informed in advance of this meeting all who intend to curl during the coming season. Anyone who wishes to curl should notify the officers or executive members so that arrangements can be made for their inclusion in one of the various rinks.

The skips selected are as follows:

Lou Consky,
Frank Andison,
C. V. Hussey,
Al. Perrin,
Merv. Robertson,
J. A. Robertson,
Jack Lyons
Harold Black

Huskies Warm Up For Hockey Season

The Haliburton Huskies are lining up now for the 1953-54 season. It had been rumored earlier that Haliburton would be without a hockey club this winter. This statement is untrue & plans are now being made to give Haliburton a top notch club this season. A hockey coach is being brought in from Toronto and Jack Austin the backbone of the hockey in Haliburton will be the manager. Last season Jack had too much to do with the coaching and also being manager so this season he will have help.

The players have all been notified and they can start now to bring that hockey gear out of the moth balls, because the hockey season will soon be here.

It won't be long now before the loud cheers will be rebounding from the Haliburton Community Arena and it will once again be hockey night in Haliburton. The local club had to fight hard at the annual tri-county meeting to get Saturday night home games but after a long discussion they won out and will be at home on Sat. nights.

The tri-county schedule is not as yet released but we will have the schedule published just as soon as it is released.

Card of Thanks

Minden Rotary

Monday's Meeting of Minden Rotary took the form of a classification talk. Classification, one of the fundamentals of Rotary proves that each member must be of a different "Classification" or line of business from the others. This provides fellowship based on diversity rather than similarity on interest.

Each new member is required to tell about his "line" of business or give his "Classification" talk and at this time we heard from Rev. Ross Wolley. From his talk we were informed that he was brought up in a family that had a close interest in the church and christianity, but it was not until he was about 17 that he began to feel that he was "called" to the Ministry. He feels that this call may come to a man quickly or it may develop over a period of time.

With the call established in his mind he spend 7 years in university work, 4 at the University of Toronto to obtain his B. A. and 3 at Wycliffe to obtain his theological degree, included in this was a period of army service. He assured us that there is nothing "sissy" about the occupation although he may have to absorb numerous cups of tea in the course of an afternoon's pastoral calls. He feels also that there is work and place for men in the Church and would up by extending an invitation to club members to become more active in church work.
